* We are working for Akkarouna in partnership with CARE which are humanitarian organizations and are conducting a study on your housing unit and its conditions. We would like to ask you a few questions to evaluate your living situation and see whether there is an opportunity to make it better. This questionnaire will take about 15 minutes of your time to complete. The information you provide us with during this interview will be kept strictly confidential. This is voluntary and you can choose not to answer any or all of the questions. However we hope that you will participate. If you don't have any questions, by agreeing to participate you declare that you will answer our questions to the best of your knowledge and that you will share accurate and true information. May I begin now?
