**Tool 10:** Summary of findings per market  
(to complete before leaving the market)

Name of the marketplace
<p><b>Are the traders in this marketplace able to supply the key commodities in sufficient quantities within the time frames required?</b> <i>(Discuss the question in the RAM team and note the conclusion and justification)</i></p>
<p><b>What specific assumptions did you make about this marketplace to get to your conclusion?</b> <i>(Note any assumptions you were required to make to come to the above conclusion)</i></p>
<p><b>What aspects require immediate additional analysis?</b> <i>(Note questions that still need answering in order to finalize the assessment)</i></p>
<p><b>What information should be gathered in addition to get a deeper understanding of the markets?</b> <i>(Note questions that may be interesting for further investigation at some later stage)</i></p>
<p><b>What market aspects should be monitored to follow the evolution of the marketplace?</b> <i>(Note all aspects and how they can be monitored)</i></p>
<p><b>Which informants are worth contacting for additional information?</b> <i>(Note subject, informant's name, and contact information)</i></p>
<p><b>Comments about the quality of the information:</b></p>
