I have no doubt that the Creampie campaign has been entertaining and inspired MTM readers, but I have to respectfully disagree with the proposition that "it's time people got over their gay aversion". I've seen the campaign from the inside and yes it is mildly giggle-inducing, but let's face it, this has been a tradition dating back, well, since homosexuals first started being concerned about things like that. Take a look at the PSA series of images below. But let's look at the history of the term, shall we 04aeff104c
