Moxxi is a bounty hunter in the far future. A corrupt politician overthrew the United Republic of Earth and assumed power of the federal government, the public now can't help but follow their favourite bounty hunter to see who can bring him or her the most notable criminal. Moxxi's Underdome, as a multiplayer game, gives you the opportunity to play with or against other players in both normal and noob-proof challenges. The game takes place in a volatile environment where the player assumes control of a bounty hunter. The player will fight, compete, hunt and collect in order to prove that they are the most elite bounty hunter in the criminal underworld. With a rich backstory, and real-world comic book art style, this is a game that draws you in, having captured the attention of fans, industry professionals and the media. Please do not use the comment form to contact me if you are a fan of the game or any of the other staff, we are not able to respond individually to your comments. The lead developer of the game is Bob Garwood, with the help of Andrew Feron, John Zarba, Kyle Anderson, Corey Wood and Mark Stanis. THE BATTLE FOR SUPREMACY OF THE FLYING MACHINES WITH THE NEW
